Testimonials

"*Gift Focus* is a fantastic trade publication and we're always happy to be involved with the magazine. We sell to a lot of gift shops and so the magazine gives us a chance to maintain our profile in this marketplace. We often recommend *Gift Focus* to suppliers and other card publishers looking to target the gift shop market."

Jeremy Corner, Managing Director at Blue Eyed Sun

"Over the many years I've been advertising with *Gift Focus*, Classic Canes has always received a positive response. We've received some good enquiries and would recommend advertising with the magazine."

Charlotte Gillan, Managing Director at Classic Canes

"*Gift Focus* is a professional publication offering lots of exciting advice to the retail buyer. This means that our adverts will be seen.

Our business has grown in each of the last 15 years. As a small company we can't justify spending to track the impact of advertising. However, we do ask new customers where they first found out about us. *Gift Focus* magazine is high on the list where new acquisitions are concerned. Also reinforcing our message to existing customers cannot be underestimated.

We've calculated the net financial impact each new customer has on our bottom line. Advertising in *Gift Focus* magazine has proved to be a cost-effective opportunity to grow our customer base."

Alan Edwards, Director at Best Kept Secrets
